## ACCIDENTS RECORDED BY HIGHWAY PATROL

During the Labor Day Weekend, from 6:00 p.m. Friday through midnight Monday, the Alabama Highway Patrol investigated 264 rural traffic accidents with 146 injuries and 12 fatalities. Three traffic deaths were recorded in Greene County, two in Bullock and Chilton County and one each in Autauga, Blount, Coosa, Crenshaw, and Madison County. These weekend fatalities bring the total killed in rural accidents to 609 as compared with 555 at the same time last year for an increase of 54.

Troopers in the eight county Dothan District investigated 27 accidents with 22 injuries and 2 fatalities. The fatalities were recorded in a single accident in Bullock County. The head-on collision took the life of Eva Mae Coleman of Tuskegee and Henry James Hightower of Union Springs. These fatalities bring the total killed in the District so far this year to 44 as compared to 63 at the same time last year for a decrease of 19. Violations causing these weekend accidents were driving on the wrong side of the road, driving while intoxicated, failing to give proper signal and equipment failure.

The Labor Day Weekend signals the end of summer vacation for thousands of Alabama school children. Colonel Floyd Mann, State Director of Public Safety, urges each motorist to be especially watchful for these children during the hours they are going to and from school. Obey school zone speed limits. Stop for all school buses loading and unloading children. Colonel Mann asks everybody to give the kids a brake.

## FOOTBALL PROSPECTS

Following the intersquad football game last week, head coach Leon Akins stated "Elba is going to have a good football team if we can keep everyone healthy."

When asked about the prospects for the game this Friday night against Brantley, Akins said he was taking no one lightly but hoped for a win. He said Brantley had some good ball players including the quarterback Campbell that showed up so well against Elba last year.

Came time is 7:30 in the high school stadium.

## James Bush

## Collision Kills Local Man On Friday

A car truck collision at 10 a.m. last Friday took the life of B. T. Stanford, a local businessman. Stanford was driving a pickup truck that collided with a car driven by Harry E. Lindell, a Ft. Rucker soldier. Lindell suffered only a cut on his face. His wife suffered cuts on her face and arms and possible back injuries. There were no other persons involved in the wreck.

The wreck occurred about two miles west of Elba on Highway 84 in front of Stanford's grocery store. According to investigating officers, the accident occurred as Stanford was coming from towards Danley's Cross Roads, was making a left turn to his store. The car driven by Lindell came over a small rise in the road and struck the truck before he could stop. (Editor's note: The photo on this page was taken from atop this rise.)

Stanford died at the scene of the accident before he could be taken to the hospital. Both Mr. and Mrs. Lindell were taken to the emergency room at Elba General Hospital and later released.

Mr. and Mrs. Lindell were wearing seat belts. There were no seat belts in Stanford's truck, according to the highway patrol.

Trooper Don Morris investigated the accident.

## TROY EXTENSION CLASSES SCHEDULED IN OCTOBER

A meeting to organize the Troy State Extension classes for the fall quarter will be held at MacArthur State Technical Institute, Opp, Alabama on Thursday evening, September 9 at 7:00.

The directive received last week by school officials was signed by Judges Richard T. Rives and Frank M. Johnson, Jr. Elba was one of 36 Alabama school systems that are affected by the order.

Superintendent Elmer Taylor stated to a representative of this newspaper that he would have no comment until after the local grades.

## School Board Gets Another Court Order

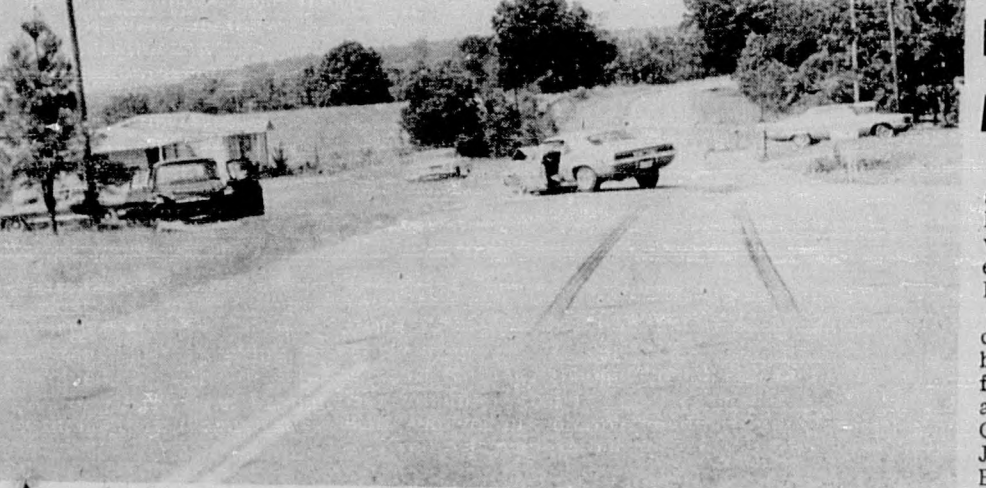

The Elba City School Board has been ordered by the U.S. District Court in Montgomery to desegregate its dual school system effective with the start of the 1970-71 school year.

In Elba, the first, second grades in grammar school and the 10th, 11th and 12th grades are already fully integrated and others have freedom of choice. School officials had hoped the courts would give them more time to arrange for the full integration of all grades.

**THURSDAY NIGHT CAMP-OUT** . . . These seven youths were pictured about 11:30 p.m. last Thursday night as they enjoyed a back yard camp out in the yard of Mr. and Mrs. Willard Martin.

Pictured are from left, Ken Martin, Mason Morrow, Morgan Morrow, John Collier, Bill Brunson, Will Martin, host, and Claude Collier.

## Revival Set At Mt. Gilead

Revival services are scheduled at Mt. Gilead Baptist Church. The services begin Monday, September 8th and last through Friday of that week. Services will be conducted each night at 7:30 by a deacon from one of five local churches. They are Dallas Farris, Wilmer Carnley, J. J. Hataway, Junior Kelley and Rowe Bowers.

**PEACEFUL SCENE?** . . . All is quite on this deep, slow moving section of Whitewater Creek where only moments before members of the Elba Rescue Squad had removed the body of 14 year old Bobby Layton. Layton drowned about 4 p.m. Monday afternoon while on a swimming outing with several friends. It was an hour and a half before rescue workers located and removed his body from about fifteen feet of water.

This area of the creek, located across the levy and behind the local schools, has been a favorite swimming area for local teenagers for years. Many of the youths have expressed their opinion that swimming in this area will be curtailed for some time.

Layton was the son of Mrs. Myrtice Layton of Elba.

Given in marriage by her father, the bride wore a gown of white tulle with a mandarin neckline. The empire bodice of re-embroidered alencon lace was trimmed with tiny seed pearls. This same lace formed the short sleeves which were scalloped at the edge and also accented with seed pearls. The detachable train was caught at the empire waistline with alencon lace and pearl appliques. Her bouffant veil of silk illusion was caught to a headband of orange blossoms, and she carried a bouquet of white French carnations, centered with a white orchid, atop a white Bible.

Miss Julie Davis, sister of the bride, served as maid of honor. Bridesmaids were Miss Miranda McCall, sister of the groom, of Enterprise, Miss Dianne Donaldson, and

Miss Charlotte Thomas, both of Elba. The attendants wore floor length gowns of candy pink bridal satin. The gowns featured empire waistlines accented with pink - centered daisies, short cap sleeves, and dress-length trains caught at the empire waist. They wore garden hats of pink net, satin ribbon, and daisies and carried nosegays of pink daisies.

Teresa Miles of Troy, Tammy Bryan and Heather Peacock, both of Elba, were flower girls. They wore dresses similar to those of the other attendants and carried baskets of pink petals and ribbons.

Jerry Jones, Enterprise, served the groom as best man. Usher-groomsmen were Don Salter, Evergreen, Randy Griffin, Ricky Calmoro, and Gary Harrison, all of Elba. Ringbearer was Mark Jones, nephew of the groom, of Birmingham. The church decorations consisted of a tree candelabrum holding burning white tapers with an arrangement of pink gladiolus and chrysanthemums at the base, small tree candelabras with burning white tapers, and jade fern balls. The altar was marked by a white prayer bench.

Following the ceremony, the bride's parents entertained with a reception in the church social hall. The guests were greeted at the door by Mrs. Jackie Murrey and Miss Dianne Donaldson, line. Miss Lucy Marler, Elba, presided at the

guests. The bride's table was overlaid with white organza over pink linen. The three-tiered wedding cake was embossed with roses and topped with white spun sugar bells. Mrs. Bill Jones, Birmingham, sister of the groom, cut and served the wedding cake and party dainties.

The punch table was covered with a white lace cloth and held a silver candelabrum with burning white candles and an arrangement of pink carnations, and a crystal punch service. Mrs. Joe Roberts and Mrs. Wayne Watson, cousin of the bride, both of Elba, served punch.

Music for the reception was presented by Mrs. Billy Woodham, pianist. After the reception, the bride and groom left for a wedding trip to Atlanta, Georgia. The bride wore an aqua and white knit dress with the orchid from her bridal bouquet. Following the wedding trip, the couple will reside in Enterprise.

**After Rehearsal Party**

The groom's parents, Mr. and Mrs. L. B. McCall entertained at an after-rehearsal party on August 22 in the Westside Baptist Church social hall. The buffet table was over-laid with white lace over linen. An arrangement of summer flowers was the centerpiece for the table. The dining tables were covered with white, and centered with miniature arrangements of summer flowers.

NEWS & CHAT

BY SARA HUTCHISON

PEARS are getting plentiful now and there are so many ways to use them. For a quick and easy dessert slice fresh pears into a dish; sprinkle with instant butterscotch pudding straight from the box, sugar, butterscotch and so simple.

beds and arrange them in triangles or clumps by variety or colors. They will need full sunshine, a southern exposure and good air and soil drainage.

GRASSES Summer lawn grasses such as bermuda and zoysia need some fertilizer in late summer to maintain a healthy condition. A lawn grass that goes into the winter dormant period in good condition will provide a better start in the spring.

## APPLIANCES

The little tingle you get when you touch an electrical appliance is most likely a danger sign. Do not ignore this sign of warning. Many electrical appliances develop electrical leakage from the interior electrical parts to the frame or case of the appliances. These appliances may operate normally, but under certain conditions a person using the appliance while in contact with other grounded equipment could receive a severe shock. Faulty appliances should be inspected for obvious leaks such as bad insulation on the cord or heating elements. The more difficult cases require the work of an appliance repairman.

## UTENSILS

Cooking with glass has become increasingly popular. The average housewife prefers it because it is easy to clean, is not affected by dishwasher detergents and does not warp or bend when taken from stove to refrigerator.

When using glass products it is important to read and keep the instruction sheets. This way you will get the best use from them while cooking.

Symbols on glassware mean certain things. It is wise to find out what these symbols mean and follow them. Glass - ceramic freeze - cook and then oven, or on top of the range or under the broiler. Check the instructions for exactly what the product symbols mean.

When baking in glass or ceramic cookware, oven temperatures at least 25 degrees lower than suggested metal cookware. A wire grid must be used when using a certain type of glassware on top of the range. Be sure and check your glass product before you use it to determine whether or not you will need the grid.

## BULBS

It's time to get ready for fall planting. Plant them in borders on flower

a beautiful green carpet next spring. Fertilizer is not recommended later than September for summer grasses. Take precautions to prevent any burning effect from fertilizer applied on grass. If the fertilizer is applied when the grass is damp, turn the sprinkler system on to wash the fertilizer off the leaves or grass blades. Fertilizer left on leaf blades will result in a temporary yellow leaf color.

"Nothing seems to make the bathroom scales so inaccurate as stepping on them."

## NEW LAW HELPS LAW ENFORCEMENT

Governor Albert Brewer halted the passage of the so-called "Implied Consent" law by the recent Regular Session of the Legislature as the most important breakthrough in traffic safety in Alabama history. The Governor signed the bill into law this week, thus giving law enforcement authorities a strong new tool to remove drunken drivers from Alabama highways. "We have known for a long time that drinking is involved in a high percentage of fatal automobile accidents," the Governor said. "This new law will enable us to deal firmly with those careless few who would endanger the lives of countless innocent Alabama drivers and their families by drinking while driving."
